STATUS INQUIRY

Applicants through their attorney of record respectfully request that the status of the above-identified patent application be communicated immediately to their attorney at the address or phone number below. Specifically, we have received no further correspondence from the Patent Office since it issued an Updated Filing Receipt 4/07/2004.

Applicants further request that any questions or concerns regarding the application be directed to their attorney at the telephone number indicated below.

We are no longer enclosing a self addressed card for the purpose of your returning it to us with the status, because the mail room consistently removes it (even though we staple it, as specified, to the request) and sends it back to us along with the card we provide for the purpose of indicating the receipt of this request.
